Château de Pierreclos
MÂCON-MILLY-LAMARTINE

THE ESTATE: It was in 2008 that Anne-Françoise and Jean-Marie Pidault, winegrowers since 1995, took over the management of this Chateau which is emblematic of Southern Burgundy, located between the Solutré rock and Cluny abbey. It is an estate founded on only the highest degree of excellence and composed of 8 hectares of vines, where the unique Chardonnay grape variety elegantly reveals all the richness and diversity of the terroirs of Pouilly-Fuissé, Saint-Véran, Mâcon-Pierreclos, Mâcon Milly-Lamartine, and Mâcon-Bussière. In 2013, the winemakers made the decision to become a certified organic vineyard to guarantee the authenticity of the terroirs and the purest expression of the wine.
