AP WINE IMPORTS

DOM. BRUNET

Pinot Noir IGP Pays d'Oc

The Estate: Serious wines produced from singular terroirs, each wine from a separate, distinctive growing area. French varietals are positioned across different optimal regions rather than grouped in one appellation.

Location: Limoux area, one of the coolest places in the Languedoc region in southern France. IGP Pays d'Oc.

Varietals: 100% Pinot Noir

Vinification: The grapes are 100% destalked and vinified with pigeage, for a soft and gentle fruit extraction of the tannins. After 20 days of maceration, the wine is matured on its fine lees.

Aging: 4 months in French oak barrels on fine lees.

Alcohol: 13%

Tasting Notes: Bright garnet color with purple reflections. An intense and complex bouquet of red fruit and blueberry aromas. The palate is fruit forward with a supple, lingering finish.
