DOMAINE DE JUCHEPIE

La Passion de Juchepie Coteaux du Layon Faye

The Estate: Domaine de Juchepie was established in 1985 by Belgian Eddy Oosterlinck and his wife Mileine. The 7 hectares are planted to 50+ year old Chenin Blanc vines (oldest planted 1911) on clay and slate soils. Certified organic by Ecocert and biodynamic by Biodyvin. Minimal intervention winemaking with no added yeasts or enzymes.

Location: Coteaux du Layon Faye, Loire Valley, France

Soil: Purple shales, sandstone shales, spilite, rhyolite, phtanite

Vines: Concentrated grapes (botrytized or passerillage air-dried), harvested manually. Yield of 5-10 hl/ha.

Varietals: 100% Chenin Blanc

Vinification: The grapes are pressed manually in a vertical presser. Fermented in oak barrels without any added yeasts or sugars.

Aging: 18-24 months in oak barrels.
