AP WINE IMPORTS

DOMAINE DU CAGUELOUP

Vin de Pays du Mont Caume Blanc

The Estate: The winemaking tradition has thrived for nearly 21 generations. The vineyard straddles Saint Cyr and La Cadière municipalities, spanning 40 hectares with 18 in AOC Bandol on clay-limestone soils. Winemaker Richard Prébost implemented stainless steel equipment 30 years ago. Harvesting begins in late August, manually executed with limited yields. Red wine aging takes place in an underground cellar approximately 7 meters deep.

Location: IGP Vin de Pays du Mont Caume, above the Mediterranean coast in Provence, France.

Age of the Vines: Estate average 30 years

Vines: Sustainable farming, soil cultivation and manual harvesting.

Alcohol: 13%

Tasting Notes: A bright, Mediterranean expression.
