AP WINE IMPORTS

ERIC FOREST

Bourgogne Blanc

The Estate: The Forest family has cultivated wine in the Maconnais for 8 generations. Eric took over in 1999 and expanded the domaine to 8.9 hectares. The domaine uses organic and biodynamic methods, with manual harvest, gentle pressing, and hand bottling by gravity, often unfiltered.

Location: Vergisson, on the edge of the Pouilly-Fuissé appellation, Burgundy, France.

Production Area: 0.20 hectares

Age of the Vines: Planted in 2017

Soil: Beautiful blue marls at the bottom of the slope, decomposed granite at the top. The cool exposure and the youth of the vines give a wine that lacks a little richness and structure.

Varietals: 100% Chardonnay

Vinification: 50% vinified in barrels and 50% in vats to maintain freshness and finesse. Eric Forest blends this vintage with his Pouilly-Fuissé end-of-press wines, which have more volume and higher pH.
