KREYDENWEISS-ANDLAU

Coteaux du Pont du Gard Les Grimaudes

The Estate: Domaine des Perrières has been operated since 1999 by the Kreydenweiss family, fervent supporters of biodynamics. The focus is on red wines, using Alsatian expertise applied to southern French varieties. Son Jean Kreydenweiss assumed management after 2017 from New Zealand.

Location: Coteaux du Pont du Gard, France

Soil: Ferruginous soil made of rolled pebbles, composite mixture of clay, flint, sandstone, quartz, and limestone

Vines: Organic and biodynamic farming by Ecocert and Biodyvin since 1999. Hand harvesting with sorting.

Varietals: Grenache, Syrah, Mourvèdre

Vinification: Short maceration, fermentation with indigenous yeasts.

Aging: In concrete tanks for a year.

Tasting Notes: A tension driven wine with wild berry aromatics (blackberries and tart cherries). On the palate, tender with smooth tannins and a crisp finish.

Food Pairing: Braised veal, charcuterie, cheese.

Cellaring: Ready to drink, but will keep 5 years
